

Join The Central Florida Rose Society!

As a member of the Central Florida Rose Society you will receive a monthly newsletter filled with information on growing great roses. Monthly meetings feature knowledgeable speakers covering many aspects of rose culture, good fellowship, lots of rose talk, and refreshments. Garden Tours to local member's gardens are held twice each year. CFRS also sponsors one out of town garden tour each year and an annual rose show. You will also have access to Consulting Rosarians who can provide personalized, on site advice about your garden.
